

20 Windmill Hill #4, Burnham, PA 17009 • (717) 248-4695

**Job Announcement:  
Summer Intern 2026 (May-August)**

The Mifflin County Conservation District is currently looking for a summer intern to assist with watershed restoration activities, GIS mapping/data entry, and field work. Interns will gain experience and knowledge in watershed restoration and planning, best management practices for water quality improvement, and environmental applications of GIS. Activities will include both office work (ArcGIS, PracticeKeeper, Microsoft Office) and field work (site visits and monitoring).

Applicants should have experience in GIS and be proficient with Microsoft Office. Watershed restoration experience preferred. This is a fulltime paid position (36.25 hrs. per week) from May through August. Hourly rates based on education and experience. Please submit a cover letter and resume to [mifflinconservation@mifflinccd.com](mailto:mifflinconservation@mifflinccd.com) by March 6<sup>th</sup> to apply.

**The Mifflin County Conservation District is an Equal Opportunity Employer**
